

# Update

## A New Phase

What do Dr. Laura Schlessinger, Bill O'Reilly and Lou Dobbs have in common with *Centered*? They're three of the headliners on the same talk radio station where a new phase of our radio outreach is set to begin!

Last month the owner of news-talk-radio station KFNX-1100 Phoenix, Arizona invited us to produce a half-hour show for broadcast. After a great deal of prayer, discussion, and a meeting of our board of directors, we decided to move forward.

Phoenix is the seventh largest metropolitan area in the U.S. and KFNX-1100 AM has one of the strongest signals of any Phoenix radio station with 50,000 watts reaching almost 5 million people! We're actively seeking sponsors who do business in the Phoenix area—more on that later—but thanks to our tight-fisted treasurer, we're getting a bargain rate for radio time.

The new show, called *Centered Today*, will be produced in addition to our regular weekly 15-minute show on Christian radio stations. *Centered Today* will be an interview program with guests such as authors, newsmakers, and others with notable experiences or expertise of interest to people of faith. Our weekly time slot is **10:30 AM (Pacific time—hence 1:30 PM Eastern time) each Sunday**, starting October 5—you can tune in wherever you are via simulcast on the internet at <http://www.1100kfnx.com>.

## A Letter from Prison

Our regular Christian radio program *Centered: Your Life With the Master* is reaching people of all kinds and circumstances—including inmates in at least one Nebraska prison. Radio continues to be powerful and intimate at the same time!

## Ways & Means

Step #1, as always, is **prayer**—please pray that God will provide the financial means for us to expand our ministry into the homes, workplaces, automobiles and lives of thousands of people.

Our initial contract with KFNX runs for 13 weeks but to continue into 2009 we'll need new income. We're looking for Phoenix-area sponsors (including companies or professionals based elsewhere but offering goods or services in the Phoenix metropolitan area). Here's how you can help:

- ✓ Continue your tax-deductible support for *Centered, Inc.* as God has blessed you.
- ✓ Refer us to anyone you know (or your friends or relatives might know) **in Arizona** who could help us cast the net widely. We looking for partners interested in our new broadcast on commercial talk radio.
- ✓ Go to [www.CenteredOnline.com](http://www.CenteredOnline.com) to find out how you can support *Centered Inc.* at no cost to you when you SEARCH or SHOP on the Internet using [GoodSearch.com](http://GoodSearch.com) and [GoodShop.com](http://GoodShop.com)!

**THANK YOU for your faithfulness!**
